

# AIA New Hampshire

## The American Institute of Architects ARCHtoberfest!

### ***Throwback Brewery: A Restoration of a Historic Farm***

**Tour / Presentation / Reception**

**Wednesday, October 14, 2015**

**5:30 – 8:45 PM**

**Throwback Brewery, North Hampton, NH**

Join us for AIA New Hampshire's second ARCHtoberfest! Last year we had a terrific time at Smuttynose Brewery. and this year we're very excited to make a visit to Throwback Brewery for a second ARCHtoberfest! We'll tour the Throwback Brewery tasting room, brewery, and future event space, which are located in a restored 1860s barn. Come learn about the renaissance of small breweries in NH and the alignment of the Throwback brand with the vision of bringing to life a historic farm and building. **Manypenny Murphy Architects** will review the design and construction process as it relates to brewing (the issues of waste treatment particularly on a wetland site), creative project delivery in the face of funding challenges, and historic barn preservation.

AIA New Hampshire Chapter meetings are a great way to showcase your company and services. Architects, engineers, contractors, interior designers, landscape architects, and other building industry professionals attend these events and are interested in what you provide for the building industry. Your sponsorship will give you exposure, positioning, and an opportunity to build relationships.

### **SPONSORSHIP OPPORTUNITIES**

We invite you to show *your* support of this evening and for the continuing education of design and construction professionals while highlighting your commitment to a high-quality built environment. Please review the chart below for sponsorship levels and benefits.

***Only one platinum level is available. Gold, Silver, and Green levels are unlimited.***
